Faiths Unveiled

This exhibition is open to all visual artists in Qatar whose faith tradition meets in what is known as the Religious Complex in Doha.

Faiths Unveiled is a celebration through contemporary art of the diverse faith traditions in Qatar that meet in the Religious Complex in Doha. The exhibition will creatively highlight the myriad of Christian traditions in Qatar – representing the mosaic of Catholic, Orthodox, Protestant, Evangelical and Pentecostal Churches from all over the world. Artists from the diversity of these religious traditions in Qatar will artistically share their distinct cultural expressions of faith in their artwork.

Artwork will be submitted through an Open Call to artists from the diverse faith traditions in the Religious Complex for two or three-dimensional artwork representing the theme of the exhibition. Each participating artist will submit one artwork reflecting their best representational or abstract interpretation of their specific cultural expression/tradition of the Christian faith.

A panel of judges will select 30 artworks for exhibition, which will be displayed first at the Anglican Centre lobby gallery within Doha's Religious Complex from May 14 - June 15, 2020, and likely followed by at an exhibition later in the year at an art venue in Doha (venue still to be determined). *Faiths Unveiled* is organized by the Anglican Church in Qatar and curated by CARAVAN, an international peacebuilding arts NGO that uses the arts to build bridges of understanding and friendship between cultures and creeds of the Middle East and West.
